

PRE-ENGINEERED BUILDING (PEB)

Engineered for Performance. Built to Last

DESIGN | ENGINEERING | FABRICATION | SITE ERECTION

CHAKAN, PUNE

THREE DECADES OF STEEL EXPERTISE.

Thirty years of steel fabrication through our family business, Abros Enterprises. In 2018 we carried that foundation into pre-engineered buildings as ABROTEK PEB.

Eight years on, our portfolio spans manufacturing, warehousing, logistics, commercial and hospitality — including work for leading MNCs.

30+

Years of steel
legacy
